

SPEECH & LANGUAGE HOMEWORK: SONGS

This activity focuses on the following speech and language skills: imitating words/sounds/gestures and following routine.

Materials: Any simple song on CD/Video/YouTube or you can sing them independently

Directions:

1. I enjoy listening to Super Simple Songs on YouTube for younger kids but you could also sing the songs without the help of a CD or video.
2. Make up movements for each song you choose. Model those movements with your child several times while singing, encouraging them to copy your movements.
3. Recommended songs: Wheels on the Bus, Old MacDonald Had a Farm, Itsy Bitsy Spider, 5 Little Monkeys Jumping on the Bed.
4. If you have toys or figures that go with the songs (ex: toy bus for wheels on the bus) you can take them out and practice using them while singing.
